Local All Natural Food Company Named One of Atlanta's Best Places to Work by the *Atlanta Business Chronicle*

SERVICE FOODS Honored with 15th Place on the Prestigious List of Top Employee-Friendly Companies

ATLANTA, September 30, 2009 – *Atlanta Business Chronicle* ranked Service Foods, Inc. No. 15 in the small business category on its annual list of Atlanta's Best Places to Work for 2009, an exclusive ranking of the city's most employee-friendly companies. This news comes a few weeks after Service Foods was named to the prestigious Inc. 5000 list of the fastest-growing private companies in the country.

To find Atlanta's 2009 Best Places To Work, the *Atlanta Business Chronicle* asked readers to nominate workplaces in metro Atlanta. This year nearly 500 companies and organizations were nominated, almost double the 256 nominated last year. Then, employees at participating companies and organizations were surveyed by Quantum Workplace – a workplace consultancy asked to participate in the search. Surveys asked questions about workplaces, coworkers and managers.

Criteria for being selected to the list include the level of employee engagement, benefits package offered to employees, work environment, corporate culture, empowering employees to reach their personal and company goals, and ensuring employees know and feel they are the company's top priority.

Keith Kantor, CEO of Service Foods, commented: "We are extremely happy to be on this formidable list of Best Places to Work. Service Foods constantly strives to take care of its employees, because our team is our future. Receiving this recognition is a tremendous achievement. Our goal has always been to provide our associates with a great workplace, so they, in turn, can help our customers eat better, and live healthier, longer lives."

Other companies on the 2009 list of Atlanta's Best Places to Work include Keller Williams Realty, Tanner Health System, Bank of North Georgia, Jackson Healthcare and others. For more information about the 2009 Atlanta's Best Places to Work, visit <http://atlanta.bizjournals.com>.
